

# WE LOVE THE **BORING** **PART**

**THIS WASN'T WHAT YOU HAD IN MIND WHEN YOU BECAME A DESIGNER.** The cover's fun.

The interior's kind of fun. **A BAZILLION PAGES**

**OF TYPE? NOT FUN.** ■ And it's expensive!

All those hours of drudgery add up, whether you're slogging away at it yourself or paying a freelancer. ■ We make those mountains of data

stand up and tap dance, take the labor out of your hair and turn the whole thing around in a

day. **FROM DATA PULL TO PRESS-READY IN**

**24 HOURS.** ■ Seriously, we're that good.
